### Dear Parents/Carers,

We are delighted to invite your son to attend our **Salvatorian Summer School**, one of the most exciting and engaging transition experiences for incoming Year 7 students. Our Summer School has been running successfully for the past four years, and every year, parents and students alike give us outstanding feedback on how it has helped ease the transition from primary to secondary school.

### Why Join the Salvatorian Summer School?

Our programme is designed to help your son **settle into secondary school life with confidence**. Through a mix of **academic lessons, creative activities, sports, team-building games, music, and outdoor exploration**, students will build friendships, develop new skills, and gain familiarity with their new school environment—all while having fun!
